Monthly Builders Theme:

## Building with Enthusiasm

As we reflect on Building with Enthusiasm this week, please ponder this poem. The author, Mr. Larson gives us the perfect recipe for wholehearted enthusiasm. I like that he focuses on recognizing our strengths and then most importantly, he encourages us to reach out and give to others.

### Promise Yourself

by Christian D. Larson, teacher and author

To be so strong that nothing  
can disturb your peace of mind.  
To talk health, happiness, and prosperity  
to every person you meet.

To make all your friends feel  
that there is something in them  
To look at the sunny side of everything  
and make your optimism come true.

To think only the best, to work only for the best,  
and to expect only the best.  
To be just as enthusiastic about the success of others as you are about  
your own.

To forget the mistakes of the past  
and press on to the greater achievements of the future.  
To wear a cheerful countenance at all times  
and give every living creature you meet a smile.

To give so much time to the improvement of yourself that you have no  
time to criticize others.  
To be too large for worry, too noble for anger, too strong for fear, and  
too happy to permit the presence of trouble.

To think well of yourself and to proclaim this fact to the world, not in  
loud words but great deeds.  
To live in faith that the whole world is on your side  
so long as you are true to the best that is in you.

### **Fingerprinting Update**

If you were fingerprinted with us at the beginning of the year, we are currently working on reviewing the background checks and printing badges. Becca Batista will be reaching out to you once everything has been completed and set in place. Please do not let this stop you from volunteering in the meantime. You are still more than welcome to come in and help the office or teachers.

If you would still like to be fingerprinted please email [Becca.batista@apavegas.org](mailto:Becca.batista@apavegas.org) to receive more information.

### **Carpool Reminder**

All parents, as acknowledged in the Parent Compact Agreement, have promised to abide by school policies and procedures regarding student drop-off and carpool.

APA's intent with carpool operations is to make sure the hundreds of vehicles passing through carpool are able to move quickly and safely. The cooperation of drivers with carpool staff will help ensure that students are dropped off and picked up in a timely manner. It's critical that drivers follow directions given by APA staff in order to maintain the momentum of traffic flow. Failure to follow the traffic directions of APA staff may result in carpool privileges being restricted.

If at any time there is an emergency, urgent need to pick up students early, or any special accommodations, please advise APA Administration of the need in advance.

**Parents must have their carpool number visible in their car when they pick up their child. If they do not have a carpool number with them, we cannot let the child in the car.**

### **PSAT/NMSQT Test**

Wednesday, October 10<sup>th</sup> will be a testing day for all students in grades 7-11. This is the national administration for the PSAT/NMSQT test for all 10-11th graders. We have also elected for students in 8th and 9th grade to take the PSAT 8/9 which is designed to provide early feedback on the skills and knowledge needed to be successful on the PSAT/NMSQT. Our students in 7th grade will attend a rotation of classes designed to help them prepare for all standardized testing later in the year.

Students in grades 7-11 will be released at 1:05/1:15 to their normal carpool locations. Students in grade 12 should stay tuned for further information about a special senior activity happening that day in lieu of testing. Any questions, please contact Ms. Steiner at [shannon.steiner@apavegas.org](mailto:shannon.steiner@apavegas.org)

### **Senior Acceptances**

We are so excited that some of our seniors are already being accepted to college! Please check out our new College bulletin board near Mrs. Mayo's desk where we will be tracking all those acceptances. We are also sharing the information during morning announcements. Seniors and parents, please let Ms. Steiner know about any and all college acceptances! We are so proud of our students!

### **ASVAB Test**

APA will be offering the ASVAB test for the first time this year. The test will be administered on **Friday, October 5 from 9am-12pm**. This is during Parent Teacher Conferences, so there is no school that day. The test is meant for students in 10th, 11th and 12th grade who are interested in or curious about a career within the military. It is completely optional, but students need to register by sending an email to Ms. Steiner at [shannon.steiner@apavegas.org](mailto:shannon.steiner@apavegas.org)

To learn more about the test or to decide if this test might be right for you, please visit this website: <https://www.asvabprogram.com/>

A big thank you to our parent volunteers who helped our event to be a success! Parents make sure to test your student's knowledge on the following station quiz questions!

### **7th Grade Leaders 4 Life- September 12th**

On Wednesday September 12th, the 7<sup>th</sup> grade students participated in the Leaders for Life Opening Ceremonies Event. At the event the students learned how to demonstrate positive character traits, strong leadership skills by thinking out of the box, and respectful behavior. In addition, students learned and reviewed proper “meet and greet” protocol and were taught how professional body language is a key factor in making a good impression. Test your students’ knowledge with the following questions:

- What is character? (Your reputation; the sum of your individual traits; the moral standard that determines your conduct)
- What determines your character? (Your choices)
- What is the difference between a blowtorch and the Olympic Torch? (The blowtorch is a useful tool and the Olympic Torch is a symbol intended to inspire others.)
- How do your choices represent a torch for others? (A torch inspires and leads. Good choices set an example to those around you and encourage others to make good choices too.)
- What does it mean to think “Out of the box?” (It means to brainstorm, consider all the possibilities and not give up!)
- Is following someone else’s strategy a form of cheating? (No, it is putting into practice winning strategies. Copying an answer you do not know is cheating.)
- What is “in the box” thinking? (Only considering the one obvious option and quitting if it doesn’t work.)
- What are the Gold, Silver and Bronze rules for accepting recognition? (Gold – be gracious; Silver – be confident and mature; Bronze – be kind)
- What is your right hand called when eating and socializing? (Eat, Meet and Greet hand)
- Where should your drink always be? (In your left hand)
- What are your only two possible answers when someone offers you refreshments? (“Yes, please.” or “No, thank you.”)
- What did the sergeant want you to know? (How to sit, stand and speak to make a good impression.)
- What is the best “Meet and Greet” jingle to use when you don’t know what to say to someone you’ve never met? (Hello, my name is \_\_ (first and last) \_\_ I don’t believe we’ve met.)
- If using good posture is a skill, what must you do to become better at it? (Practice)

## Cross Country

**After a great showing in the Moapa Valley Invitational last Saturday, the harriers returned this week for a great week of practice. And this weekend - EVERYBODY will be running somewhere!**

Last week, both the Varsity and MS teams ventured north to the Moapa Valley Invitational and a step up in the level of competition. The MS team was unfazed, however, and accomplished their second impressive win, with both Levi Lander and Beckett Melder finishing in the top five, less than a minute off the winning pace. Varsity competed well but finished in fourth place succumbing to perennial state power, Moapa Valley. Here is the schedule for the rest of this week.

MS this weekend

- Middle School will be competing on Friday in the Red Rover Invitational, running either a professionally timed 1.5 mile time trial or against other MS teams from the NCSSA league who have been invited to attend.
- Our Elementary team will also be racing against 12 other elementary schools.
- The races will take place at 4:30 pm on Friday at Frias Elementary School in Southern Highlands (5800 W Broken Top Ave, Las Vegas, NV 89141).

HS this weekend:

- High School will be at Frias Elementary on Friday to help at the race and support the ES and MS kids
- Then, HS kids will race at Lake Las Vegas on Saturday morning. They will be running in the Varsity B race at 10:00 am and need to be on site at 8:30 am for warmup and to watch the 2 Varsity A races.

## Paperwork

Parents are encouraged to keep getting their physicals and participation fees taken care of so their youngsters can continue to participate.

## Basketball Tryouts

We have had a lot of questions regarding the tryout dates for the other sports, especially basketball. Those dates will be forthcoming but will not occur before Fall Break. We are planning on fielding the following teams - Boy's and Girl's Varsity, Boy's and Girl's JV, Boy's and Girl's MS, Coed Elementary.
